

Mobile platforms and mobile manipulators

mobile platform MP-L655

mobile platform MP-M470

entertainment robot ME-470

mobile manipulator MM-KR16

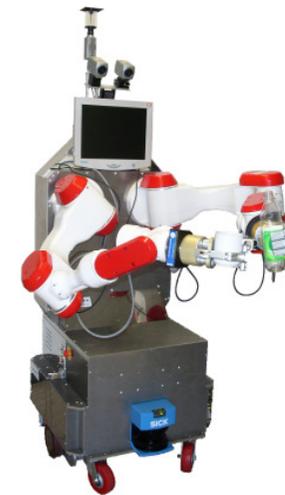

transport platform MT-500

mobile manipulator MM-500

project examples

Cooperation interests

- Multi transport platform control in industrial environments
 - Motion coordination of multiple autonomous platforms
 - Task coordination with agent technology
 - Interface to plant control

- Mobile manipulation in industrial environments
 - Same topics as for multi transport platform control

- Entertainment robots
 - Improved man machine interaction
