

Dipl.-Ing. Univ. Felix Wunner

PERSONAL INFORMATION

address: Zellhauserstr. 39,
85356 Freising
email: felix.wunner@gmx.de
phone: +49 (0)176 313 96150
date of birth: 15. September 1983
in: Freising

EDUCATION

- 02.2013 – 09.2013 **Diploma thesis, “Design of fiber composite front and rear doors of an electric vehicle for tropical megacities”**
Engineering, Process and Project Management
Technical University of Munich, TUM Asia, Nanyang Technical University, Singapore
- 10.2011 – 10.2012 **Semester thesis, “I-Fin, Optimisation of Conventional Fins by Transferring Natural Phenomena into Technology“**
Engineering, Industrial Design, Bionics
Technical University of Munich
Presentation at Hannover Messe 2012 / Bayern Innovative
Pending international Patent of “iFin”, Pub.Nr.: WO2013159860 A1
- 03.2010 – 08.2010 **Semester abroad**
Engineering, Industrial Design
Queensland University of Technology, Brisbane, Australia
- 10.2009 – 03.2010 **Semester thesis, “Cranes for rack body trucks”**
Engineering, Industrial Design, Bionics
Technical University of Munich (Cooperation of Faculties of Product Development and Industrial Design), Palfinger AG Austria
- 04.2009 – 08.2009 **Cooperation Project, “Swarm Intelligence - technical use”**
Engineering, Industrial Design, Bionics
TU München, TU Berlin, UdK Berlin, T-Labs Telekom Germany
- 10.2005 – 04.2009 **Academic Studies**
Engineering, Product Development and Design,
Technical University of Munich
Intermediate Diploma by March 2009
Modules: Product Development and Design
Aviation Dynamics and Construction / Fluid Dynamics
- 08.2003 – 05.2004 Civilian Service
Youth-Hostel, Oberstdorf
- 06.2003 General Qualification for University Entrance, Abitur
Camerloher-Gymnasium, Freising

INTERNSHIPS | JOBS

- 10.2013 – present **Technische Beratung Ingenieurbüro / Munich**
Freelance Engineering Projects
Further Development of independent Project (iFin-surf)
- 06.2012 – 01.2013 **RTT – Real Time Technologies / Munich**
Software Provider in the Fields of 3D Visualisation in Real Time
Student Trainee
- 04.2012 – 06.2012 **TU München**
Institute of Product Development
Student Researcher in the Fields of Bionics
- 03.2010 – 10.2010 **ISR at Queensland University of Technology / Brisbane, Australia**
Institute for Sustainable Resources
Student Trainee in the Fields of Research and Development of Climate Devices
- 07.2007 – 09.2007 **B & H Gmbh / Munich**
Metalworking Company
Compulsory Internship
- 01.2005 – 03.2005 **Compania Industrial ROMOSA S.A.C. / Lima, Peru**
Textile Fabrication Company
Engineering / Development, Production
Internship
- 05.2003 – 06.2003 **Hammonds LLP / Munich**
Law Office of Patents
Internship

LANGUAGE

German	mother tongue
English	business fluent in spoken and written
Spanish	proficient in spoken, intermediate in written

COMPUTER SKILLS

CATIA V5, Solid Works, ANSYS V12; MATLAB, Simulink, C / C++ , Processing, Aduino (Basics); Delta Gen V11.0, Blender; Adobe InDesign, Premiere, Photoshop, Illustrator, Acrobat Professional; MS Office Applications (Word, Excel, Powerpoint)

PERSONAL INTERESTS

Photo (www.shufflerandomperspectives.de); Music (Piano and Guitar); Sailing; Baseball; Surfing; Design; Travelling; Cooking; Fly Fishing
